Definitions

- a. "Applicable law" means the laws and any other instruments having the force of law in India and State.
- b. "Operator" means any public or private entity who owns or control a common Bio-medical Waste treatment facility for the collection, reception, storage, transport, treatment, disposal or any other form of handling bio medical waste.
- c. "Occupier" means a person having administrative control over the institution and the premises generating bio medical waste, which includes a hospital and health care facilities, irrespective of their system of medicine and by whatever name they are called
- d. "Day" Means Calendar Day.
- e. "Effective date" means that the date on which this agreement comes into force.
- f. "Rules" Means Bio Medical Waste Rules 2016 including its amendment, if any.
- g. "CBWWTDF" refers to the Common Bio Medical Treatment & Disposal Facility.

Entire Agreement

This agreement contains all the covenants, stipulations and provision agreed by the parties. No commitments, any statement, promise other than this agreement by any agent or representative of either party shall be considered valid.

Key Deliverables of the Operator

The District / Health Facility enter into a service level agreement for availing such services from the selected CBWTF operator.

The operator agree to deliver all the duties as described in **Clause 5 of the Bio Medical Waste rules 2016**. In addition to these few other deliverables are expected to be accomplished by the operator under this agreement-

- Collection of Bio Medical Waste daily from Common Bio Medical Waste Storage Area of a Public Health Facilities as listed in Annexure A.
- The Operator will provide services to the occupier of health facilities who opts for such service during the contract period.
- The timing of collection of the waste will be preferably within 6AM- 8 AM and 2 PM-3PM daily before OPD hours/IPD rounds (Intramural transportation).

Pooja Shankar Rathi
Chief Dist. Medical &
Public Health Officer, Puri

Sani Clean Private Limited
Anil Agrawal

Director

Further transportation from Storage room to CBWTDF (Extramural transportation) on each alternate days which should not exceed 48 hours as per BMWM Rules.

- d. The Operator shall maintain all the records related to Bio Medical Waste management of all health facilities. Daily records shall be maintained for the waste removed, accepted and treated in r/o each of healthcare facility. These record shall include the details such as Collection time, date, name of health facility, waste category as per rules and its quantity, vehicle number and receiving date.
- e. The CBWTDF operator would maintain all mandatory records and documents as required under the BMW Rules 2016 (and its amendments), Government notification, and other regulatory bodies of the state & district. The Operator shall recruit its own trained & skilled in the field of Biomedical Waste Management personnel for handling Bio Medical Waste.
- g. The CBWTDF will supply coloured poly bags for every point of generation and collection of the waste from the occupier of Health Facility on monthly basis.

Responsibilities

Operator

1. **M/S. Sani Clean Pvt.Ltd** is responsible to familiarize themselves with physical location, approach road and travel time to each facility in all weather conditions. The District would have no role in extending any support on this count.
2. **M/S. Sani Clean Pvt.Ltd** shall be in possession/obtain/renewal of authorization, certificates and statutory clearances from the competent authorities to operate the CBWTDF, as required under the law, rules and notification and guidelines.
3. **M/S. Sani Clean Pvt.Ltd** shall ensure timely submission of BioMedical Waste Daily/Monthly/Annual report to State Pollution Control Board, Odisha as mandated under the Bio Medical Waste rule 2016 and its amendments if any along with a copy to Director Public Health, Odisha through Barcoding software.
4. Preservation and safe keeping of records and data on bio medical waste generation, treatment & disposal for a period of five years.
5. **M/S. Sani Clean Pvt.Ltd** shall recruit / deploy its own adequate skilled manpower in adequate number and shall comply with the laws applicable to the recruitment, wages, minimum working hours, safety, cleanliness, insurance, gratuity, medical benefit, compensation, retrenchment benefit etc. The District

Pratap Shankar Rath
Chief Dist. Medical &
Public Health Officer, Puri

Sani Clean Private Limited
Ani Agrawal
Director

has no responsibility direct or indirect in meeting such obligations.

6. All the workers engaged by the **M/S. Sani Clean Pvt.Ltd** shall wear uniform with the logo of the agency and shall have photo ID cards during the period of work. The credential of the said manpower like their identity, address & antecedent from local Police Station to be submitted to the occupier for due verification before allowing them to work in their premises.
7. **M/S. Sani Clean Pvt.Ltd** shall bear the cost of operationalization including machinery, manpower, water, electricity supply and other taxes & duties as levied at their CBWTDF.
8. **M/S. Sani Clean Pvt.Ltd** shall provide adequate training & personal protective equipment (PPE) to the staff to ensure occupational Safety.
9. Any pilferage/ damage to the hospital property due to mishandling, carelessness of the contractor/agency or his workmen will be recoverable from the **M/S. Sani Clean Pvt.Ltd**.
10. During hospital visit, CBWTDF Staff is expected to maintain silence and behave in a respectful and dignified manner. Any misconduct such as smoking, alcohol consumption, misbehaviour, etc. shall be dealt in and legal action what so ever it may be would be reported to police by the health facilities.
11. The CBWTDF Staff will exhibit exemplary behaviour and conduct, while visiting the health facility. The CBWTDF will take immediate action on complaints or notices and such staff would be replaced with in a week with ensuring there is no such hamper in regular service. Outcome of disciplinary/ punitive action taken on the complaint will be intimated to complainant and the health facility. The CBWTDF agency will abide by the prevailing rules of the concerned HCF including proper infection control practices.

Occupier

The occupier has to deliver all the duties as described in **Clause 4 of the Bio Medical Waste rules 2016**. In addition to these, few other deliverables are expected to be accomplished by the occupier under this agreement-

1. Segregated collection of Bio Medical Waste from the different sites of the health facility.
2. Provide a list of consumables (like non-chlorinated coloured poly bags, Sodium Hypochlorite solution & PPE kit for staffs engaged by the CBWTDF agency) to CBWTDF along with quantity required in the HCF on quarterly basis. Demand such consumables shall be rational and has been approved by

Dr. Rajendra Shankar Raut

- ix. All the employees of 2nd party shall be covered under insurance against any personal accidents and the 1st party will not be liable for payment of any compensation on that account.
- x. During execution of work, the 2nd party shall follow all standard norms of safety measures, precautions to avoid accidents/damages to person, machines and building etc. On non-performance to this clause suitable fines as decided by the 1st party will be imposed.

D. SEGREGATION, COLLECTION, TRANSPORTATION & TREATMENT OF WASTE :-

- i. Generator of the Bio-Medical Waste is responsible for providing segregated waste to the CBWTDF agency. The wastes shall be segregated as per the provisions of the Bio-Medical Waste Management Rules 2016. The CBWTDF agency shall report about the non-segregated waste to the hospital/district authority. The designated colour coded polybags will be put in respective colour coded bins and lifted from time to time after they become two third full. Bags are to be closed by tying a string and taken to the plant site for disposal. Each bag shall be as per BIS Standards or Bar code system for effective management of Bio-Medical Waste under the provision of Bio-Medical Waste Management Rule, 2016 as amended. The coloured containers shall be strong enough to withstand any possible damage that may occur during loading, transportation or unloading of such containers. All the bags/ containers/ bins used for collection and storage of bio-medical waste, must be labelled with the Symbol of Bio Hazard or Cyto-toxic Hazard as the case may be as per the type of waste in accordance with the BWWM Rules, 2016. Sharps shall be collected from all the generation points of the hospital. The person responsible for collection of Bio-Medical Waste shall also carry a register with him to maintain the record such as name of generation point, type and quantity of Waste received, signature of the Authorized person (I/C of the ward/unit or anybody duly assigned that duty), date and time of collection, etc.
- ii. The CBWTDF agency will implement the barcoding of Biomedical wastes generated from concerned units of HCF till disposal of waste at CBWTDF & tracking of vehicles by required hardware (GPS Device)& consumables like Barcode sticker as prescribed by OCAC by which the wastes generated from concerned units of HCF to till disposal of waste. The whole process being uploaded into the software developed by State through OCAC.

Pabitra Mohan Rajguru

Chief Dist. Medical &
Public Health Officer, Puri

Sani Clean Private Limited

Ani Agnani

Director

- iii. The timing of collection of the waste will be preferably within 6AM- 8 AM and 2 PM-3PM daily before OPD hours/IPD rounds (Intramural transportation). Further transportation from Storage room to CBWTDF (Extramural transportation) on each alternate days which should not exceed 48 hours as per BMW Rules. Before intramural transportation, the manpower of the CBWTDF agency should ensure the replacement of polybags in bins & cleaning of bins.
- iv. The Bio Medical Waste collected in poly bags shall be transported to the Common Bio-Medical Waste Treatment Disposal Facility (CBWTDF) in a fully covered vehicle. Such vehicle shall be dedicated for transportation of Bio-Medical Waste. The coloured coded polybags of appropriate size and colours with bio-hazards marking will be provided by the CBWTDF agency. Covered trolleys for intramural transportation of Biomedical Waste from different units of HCFs to Storage area will be provided by 1st party, but the regular maintenance of the said trolley will be carried out by CBWTDF agency.

E. RECORD MANAGEMENT AND MAINTENANCE OF LOG BOOK

- i. The 2nd party shall maintain all the records related to bio-medical waste management of all the units. Daily records shall be maintained for the waste accepted and treated, waste removed from the site. This record shall include the following minimum details.

a. Waste Accepted:- Waste collection date, time, name of the health care unit, waste category as per rules, quantity of the waste category as per rules, quantity of waste, vehicle number and receiving date & time (at site).

Treated Waste at CBWTDF: - Date, treated waste type, quantity, vehicle No. and location of disposal.

b. **Log Book:-** A log book shall be maintained for each treatment equipment installed at the site and shall include the following:

- The weight of each batch
- The categories of waste as per rules.
- The time, date and duration of each treatment cycle and total hours of operation.
- The complete details of all operational parameters during each cycle.

- ii. **Barcoding:** The concerned CBWTDF agency will implement the barcoding of Biomedical wastes generated from concerned units of HCF till disposal of waste at CBWTDF & tracking of vehicles by required hardware & consumables like Barcode sticker as prescribed by OCAC, by which the wastes generated from

Pooja Shankar Ragh

Chief Dist. Medical &
Public Health Officer, Puri

Sani Clean Private Limited
Ani Agarwal

Director

concerned units of HCF to till disposal of waste can be monitored & the whole process being uploaded into the software developed by State through OCAC. The required logistics & consumables for Barcoding will be supplied by the CBWTDF agency like GPS device on vehicles, Barcode Stickers & other hardware required at the end of CBWTDF agency as prescribed by OCAC.

F. ELECTRICITY AND WATER SUPPLY: 1st party shall provide water and electricity free of cost for operation of BMWM Storage Cum Equipment area. However 2nd party will use these judiciously and will ensure that there is no wastage.

G. TERMINATION OF AGREEMENT:

- The 1st party will be at liberty to terminate, without assigning any reasons thereof, the contract either wholly or in part after giving notice to the CBWTDF Operator (2nd party) at least 30 days before the proposed date of termination. The CBWTDF Operator shall not be entitled for any compensation whatsoever in respect of such termination. Further the agreement will change immediately after new CBWTDFs if any come into operation or capacity expansion of existing CBWTDFs achieved or gap analysis process is completed with one-month prior notice for termination of agreement by the 1st party to 2nd party.
- If the 2nd party on account of any infringement of the conditions of the contract or violates any BMW Rules 2016, the 1st party would have the right to recover compensation from the CBWTDF Operator besides forfeiture of Security deposit.
- The CBWTDF Operator is expected to comply with the provisions of Term of Reference and timelines suggested therein. Failure to comply with the above may culminate in deduction from their bills of an amount commensurate with the impact of non-compliance or even termination of the contract to be decided by District authority at their sole discretion.
- The CBWTDF Operator should orient/ re orient the staffs on regular basis preferably quarterly once on Biomedical Waste Management Rules 2016 & its handling.

H. PENALTY CLAUSE:

- In case of any deviation in the Agreement, 1st party can deduct 1% of monthly bill of 2nd party for each instance. After 3 consecutive deviations, 1st party can serve show cause to 2nd party & deemed action can be taken by the 1st party. Three unsatisfactory reply to show cause by the 2nd party will lead to termination of agreement with forfeiture of performance security.
- In case the **M/S. Sani Clean Pvt.Ltd** does not submit their complete sets of monthly report of a particular facility along with bill with the assigned authorities, the payment will be delayed and there will be no penalty on the District to pay any interest there upon.
- In event of non-delivery of services or delayed services, the occupier/ contracting organization will impose a fine of three times of the value of monthly bill of the contracted service.
- Performance review shall be carried out on a quarterly basis based on Score card by taking into account of relevant indicators for assessing performance of the implementing agency as per the criteria, Scoring Indicators as per Annexure C.
- The extent of penalty as follows:

Total Score	Extent of Penalty from Bill Amount
< or = 70%	2 % penalty from Bill
>70% and < 80 %	1% penalty from Bill
= or >80%	Zero penalty
